

Three Ways to Read Through the Bible

ONE-YEAR

Bible Reading Plan

A Year-Long Bible Journey

Reading the Bible is an important practice of the Christian life. The Bible is the life-line of the believer. It gives us guidance, light, comfort, encouragement, correction, strength, and connection to God. However, where does one begin? It is helpful for the new believer, or even for a believer who has read the Bible on many occasions, to follow a structured format. By reading the Bible following different structures, God will show himself and his will to the believer in new and fresh ways.

The following pages have three different arrangements that will help you read the Bible in one year. These arrangements will guide you during fifty-two weeks through daily, manageable sections. The three plans below provide ways to read the Bible that will open up new windows into God's Word. Each plan includes check boxes so you can keep track of your progress.

Plan One	Old/New Testament Psalms-Proverbs	Presents an Old Testament portion, a New Testament portion, a Psalm, and a section of Proverbs for each day.
Plan Two	One portion from each of seven key sections	Divides the Scriptures in seven traditional sections: Epistles, Law, History, Psalms, Poetry, Prophecy, Gospels.
Plan Three	Beginning to End	Guides one to read the whole Bible in order through the year.

Reasons to Study with Your Mind and Heart

To know God—God created the heaven and the earth and everyone in it (Genesis 1-3).

To enjoy and love God—Meditate on God's character, principles, and promises. Rejoice in his love, care, and forgiveness. (Psalm 119:12-18, 160-162; 1 Timothy 6:17)

To know God's Word—The Scriptures were inspired by God. They teach us the truth and show us what is wrong in our lives. They straighten us out (2 Timothy 3:16).

To understand the Word—Jesus is called the Word because he is the ultimate communication from God. He existed from the beginning with God, he is God, and he created everything. He said that those who have seen him have seen the Father (John 1:1-3; 10:30; 12:44, 45; 14:7-9).

To learn direction in life—The Bible shows us what to do (Ps. 119:11).

To find comfort and hope—The Scriptures give us encouragement (Romans 15:4).

To let God expose our innermost thoughts and desires—His Word helps us see ourselves as we really are and convicts us of sin so that we repent and change (Hebrews 4:12-16).

To become pure and holy—Jesus prayed this for all believers that they would be set apart for God and his holy purposes (John 17:17-23).

To obey the Great Commandment—The more we know God, the more we can love him. The Great Commandment is to love God with all of our being and our neighbor as ourselves (Mark 12:29-31). And Jesus gave us a new commandment to love one another (John 13:34-35).

Reading Through the Bible: Helpful Tools

1. Study Bibles

A study Bible will help you by giving explanations, introductions, outlines, cross references and study notes. A good study Bible has a concordance, maps, and a topical index. Ask your pastor to recommend one.

2. Concordances

A concordance helps you look up any word in the Bible. It gives an alphabetical listing of key words, names, and topics, plus a list of verses that contain that word.

3. Bible Software

Bible concordances and other references are available on both desktop and hand held software. Enter a word or reference to quickly find and print out Bible verses in various versions. Complete Bible study libraries and study Bibles are available on computer software.

4. Bible Dictionaries

Look up words you don't understand, such as "grace," "redemption," or "faith." Expository dictionaries give you detailed meanings and explanations.

5. Bible Atlases, Maps, and Time Lines

On a map, locate where Bible events took place. Daniel was in Babylon. Babylon ruins are south of Baghdad today. On a time line, locate when Bible events took place. During the fierce Assyrian Kingdom, around 781 BC, Jonah went to Nineveh to warn the people to repent.

6. Bible Commentaries and Handbooks

First, study the Bible yourself. See what it means and how it applies to you. List questions you have. Later, you can read to see how Bible scholars explain it.

7. Special Bibles

Topical Bibles organize Scripture in special areas of interest, such as Salvation, Marriage, or Prayer.

Interlinear Bibles compare original language (Hebrew or Greek) to modern language. Large-print Bibles are easy to read and helpful for many people.
