

LESSON 5 RESEARCH PROJECT

RESEARCH PROJECT

Choose a movie to watch with “biblical glasses” that your parents approve ahead of time. Try to think in advance of movies you know that might have evolution or humanistic thinking in it.

Name of Movie _____

Please write at least three ideas or statements from the movie that are factual and at least three that are assumptions. Also, note situation ethics (justifying wrong behavior because it might have a favorable result). Watch critically—you may be surprised at the amount of counterfeit reality the movie contains.
