

“One roadblock in understanding the sign of Revelation 12 is by not understanding the layout of the book of Revelation. Chapter 11 takes the reader to the end of the seven years at the seventh trumpet when the earth fully becomes under Jesus Christ our Lord. Chapter 12 begins further detail on this coming time and starts back at the beginning. We therefore begin at this sign that represents Israel and the bringing forth of the Messiah. But the point is that this is a heavenly sign placed in heaven to show us when these things will begin. That is, the continuation of the salvation story through the nation of Israel.
